

INTERLIGHT MOSCOW

16th INTERNATIONAL TRADE FAIR
FOR DECORATIVE & TECHNICAL LIGHTING
EXPOCENTRE FAIRGROUNDS
NOVEMBER 9 – 12, 2010 IN MOSCOW

Product range

1.0 Decorative Lighting

- 1.1 Luminaires for living areas
- 1.2 Prestigious luminaires
- 1.3 Chandeliers, crystal lamps
- 1.4 Wall lights
- 1.5 Ceiling lamps
- 1.6 Table lamps
- 1.7 Pendant luminaires
- 1.8 Standard lamps
- 1.9 Lights for children's bedroom
- 1.10 Bathroom lighting
- 1.11 Mirror lights
- 1.12 Lights for pictures and sheet music
- 1.13 Christmas lights
- 1.14 Accessories and component parts for decorative lighting

2.0 Technical luminaires

- 2.1 Exterior lights
- 2.2 Road and traffic lights, tunnel lights
- 2.3 Floodlights
- 2.4 Built-in lights, construction lights
- 2.5 Outside lights
- 2.6 Wall lights
- 2.7 Machine lights
- 2.8 Lighting systems for office and administration
- 2.9 BAP-lights
- 2.10 Radiant lights
- 2.11 Building and industry illumination
- 2.12 Emergency and safety lighting
- 2.13 Bacteriological lamps, irradiators
- 2.14 Lights with movement sensors
- 2.15 Optoelectronics
- 2.16 Accessories and component parts for technical lighting

3.0 Electrical lamps

- 3.1 Incandescent lamps
- 3.2 All purpose lamps
- 3.3 Halogen lamps
- 3.4 Light projector lamps
- 3.5 Fluorescent lamps
- 3.6 Infrared radiators
- 3.7 Metal halide lamps
- 3.8 Sodium discharge lamps
- 3.9 Mercury discharge lamps
- 3.10 High pressure lamps
- 3.11 Fibre optic lighting
- 3.12 Discharge lamps (HID-lamps)
- 3.13 OLED lamps
- 3.14 LED lamps
- 3.15 Accessories and blank materials for electrical lamps

4.0 Electrical Engineering

- 4.1 Cables and leads
- 4.2 Distribution systems
- 4.3 Distribution and joining material
- 4.4 Low voltage equipment
- 4.5 Plumbing trade and safety lugs
- 4.6 Low current installation
- 4.7 Transformers
- 4.8 Ballasts for fluorescent lamps
- 4.9 Ballasts for other discharge lamps
- 4.10 Fixing systems
- 4.11 Installation material for cable routing
- 4.12 Switch and plug systems for equipment, luminaires and equipment
- 4.13 LED modules
- 4.14 LED converter
- 4.15 LED accessories

INTERLIGHT MOSCOW

16th INTERNATIONAL TRADE FAIR
FOR DECORATIVE & TECHNICAL LIGHTING
EXPOCENTRE FAIRGROUNDS
NOVEMBER 9 – 12, 2010 IN MOSCOW

- 4.16 Safety switch / modular installation devices
- 4.17 Installation switches, plugs and sockets
- 4.18 Isolators, load switches, performance switches and motor protection switches
- 4.19 Control relays
- 4.20 Command and control switches
- 4.21 Time switches
- 4.22 Storage programmable controls
- 4.23 Power distribution equipment, low voltage equipment, middle voltage equipment
- 4.24 Bus bar systems
- 4.25 Switch cabinets
- 4.26 Safety system
- 4.27 Power electronics
- 4.28 Receiving aerial and broadband distribution technology
- 4.29 House communication
- 4.30 Building system technology
- 4.31 Earthing, voltage compensation, lightning protection, excess voltage protection
- 4.32 Electric heating
- 4.33 Heat recovery systems
- 4.34 Hot water production
- 4.35 Single room heating controls

5.0 Lighting applications

- 5.1 Hospitality / Restaurant
- 5.2 Clinic / Healthcare
- 5.3 Retail
- 5.4 Automotive
- 5.5 Oil & Gas
- 5.6 Stage / Entertainment / Cinema / Film production / Photography
- 5.7 Museum / Conference
- 5.8 Exterior lighting
- 5.9 Contract lighting
- 5.10 Effect lighting
- 5.11 Housing sector
- 5.12 Office sector
- 5.13 Industrial sector

6.0 Light and Energy Management

- 6.1 Light control equipment
- 6.2 Light and colour measuring gear
- 6.3 House and building automation
- 6.4 Tools and systems for telecommunication
- 6.5 Danger detection systems
- 6.6 Monitoring systems
- 6.7 Visual, radio and personal paging systems
- 6.8 Electro acoustic equipment
- 6.9 Components and systems for data networks
- 6.10 Measuring & test devices, measuring technology
- 6.11 Facility management

page
2/2

7.0 Service

- 7.1 Lighting design
- 7.2 Software
- 7.3 Waste management and recycling
- 7.4 Institutions, organisations, associations
- 7.5 Trade journals, publishers

8.0 Others
